Headteacher: Mr Tony Milovsorov

Tuesday 5 February 2019

Dear Parent/Carers,

We contacted you yesterday to inform you about a number of matters including the closure of the school due to staffing difficulties.

We are contacting you again today, as promised, to update you on the situation. Unfortunately, because of ongoing staff sickness, the school will remain closed.

It is unlikely that the school will now reopen before half term (Half Term commences on the 18th February); to do so, without sufficient compliment of staff would compromise the health and safety of students.

We understand this news may present challenges for parents, carers, children and young people. Please be assured that our decision to close the school has not been taken lightly. We are working with key partners including the Local Authority and education colleagues across Walsall to identify solutions that will mitigate the impact and ensure education is reinstated for all children as quickly as possible.

We have arranged two meetings with parents and carers:

- Date: Wednesday 13th February
- Venue: Jane Lane School
- Time: 10:00 am and 5:30 pm

The purpose of these meetings (parents and carers only need to attend one) will be to:

- share the findings from the recent Ofsted inspection
- explain the reasons for closing the school
- provide parents and carers with an opportunity to share concerns, ask questions and seek advice.

We will ensure that a range of officers are in attendance at these meetings to respond to any specific concerns parents and carers may have and offer advice and assistance to those of you who need it.

If in the meantime you have any specific questions/queries, please contact the us directly on 01922 721161.

Thank you for your ongoing support and understanding.

Kind regards,

Jane Lane School
